

Every club is in need of committee which is a group of people appointed for a specific function by a larger group and typically consisting of members of that group. It is unfortunately voluntary process which a member gives up their own time to commit to the committee, could you spare a few hours a week to help keep our running club to grow successfully!?

We request committee members provide a service of minimum 2 years, giving something back to the club, which has given you increased confidence, improved your running and enjoying social activities. Without you, the MEMBERS of Stourbridge Running Club will not cope but more importantly we need members to step forward to get involved to continuously help our running club to grow and be successful!
